INDUSTRY EXPERIENCES

Jan 2019 - Mar 2019

Freeman Hospital Patient Information Design Solution

Worked collaboratively within a team to create concepts and prototypes to improve the experience for all stakeholders ranging from clinical staffs to patients to access information about the transplant services.

Sept 2018 - Jan 2019

Newcastle NE1 Business Improvement District

Worked on a collaborative live project to produce a creative design solution for a site's regeneration project, bringing back its heritage and economic fortunes. Invited by the project manager to further present our proposal to the bigger NE1 team.

Apr 2018 - May 2018

Hedgehog Lab 4-Weeks Placement

Worked on a live project to develop an app as a team while being strongly exposed to the work process of the UI/UX field guided by industry professionals. Worked consistently within established timelines while having a weekly presentation to the CDO and client.

SKILLS & INVOLVEMENT

Jan 2019

ASTRO Business Case Competition

• Flexibility and Adaptability

Solved real business challenges and produced a proposal in a simulated real-world context with unexpected changes within a constrained time frame.

• Creative and Critical Thinking

Directed the team during video shooting a proposal within limited resources and space, selected as the most outstanding director at the end of the business pitch.

Sept 2018 - May 2019

Malaysian Society (Sports Director)

• Collaboration and Communication

Hosted a sports tournament in collaboration with one of the UK's top sports centres. Liaised with the sports central team on any decision-making and enquiries.

• Teamwork and Openness to Feedback

Worked very closely with the committee to ensure that sports events run smoothly followed by a post mortem to gather and work on constructive feedback.

Jan 2014 - Dec 2014

High School Wind Orchestra (President and Conductor)

• Leadership

Led a concert committee in managing logistics, sponsorships and finance alongside being a conductor in several performances.

• Time Management

Juggled several leadership roles in co-curricular clubs and societies while studying for a major examination.
